Additional Notes from teacher or Parent:

Dear Parents, one of the students in the class suggested bringing kids Islamic books to class and sharing with others so others can benefit (essentially a 'library' within the class). Is this something you are supportive of? If all parents are, I will manage the exchange of books and the running of the in-class library. We won't begin this until the new year.

Do you support the idea of the in-class library? Yes _____ No _____
